Privacy Statement

Your personal information is required for the issuing of an Environmental Licence under the *Environmental Management and Pollution Control Act 1994*. It will be used by the EPA for the purposes permitted under that Act, and may be disclosed to agents of the Crown and other organisations authorised to use it. It will be

managed in accordance with the *Personal Information Protection Act 2004* and may be accessed by you upon request. You may be charged a fee for that service.

Items to be lodged with this application (if applicable)

Supporting information relating to renewal of Environmental Licence.

This is to include copies of:

• the relevant regulatory instruments from Section C above; and

• relevant documentation and requested information from Section D above.

Failure to provide all supporting information relating to renewal of the Environmental Licence required under section 42S before the day on which the licence expires will result in the application for renewal of the Environmental Licence being invalid. Where an application for renewal of an Environmental Licence is invalid, the Environmental Licence will expire and cannot be renewed under section 42T.

Further information may be required from the applicant following consideration of this application by the Environment Protection Authority.
