Additional Notes

Limitation of Search

The EPA does not hold records on all sites that are or may be contaminated. The relevant Local Council and WorkSafeTasmania (Department of Justice) may also hold records concerning this site.

The Crown gives no warranty, express or implied, as to the accuracy or completeness of the information provided. The Crown and its servants or agents accept no responsibility for any loss or damage arising from reliance upon the search results and any person relying on the search results does so at their own risk absolutely.
