

APPLICATION FORM

Low Risk Determination

Regulation 10(1) of the *Environmental Management and Pollution Control (General) Regulations 2017* (the Regulations) provides that a person may apply to the Board of the Environment Protection Authority (the Board) for a determination that a regulated activity is a low risk activity. The Board has delegated all its powers under regulation 10 to the Director, Environment Protection Authority under its powers of delegation conferred by section 16 of the *Environmental Management and Pollution Control Act 1994*.

You may apply for a low risk determination for your activity using this form. Before submitting an application you should read the Board’s [Annual Fee Remission Guidelines](http://www.epa.tas.gov.au) (available from www.epa.tas.gov.au). The Guidelines describe the requirements for eligibility and applications. A statutory declaration must accompany an application for a low risk determination.

If you apply, this form and all required documents and information must be received by the EPA at least 90 days before the annual fee is next due for payment.

In accordance with regulation 10(1) of the *Environmental Management and Pollution Control (General) Regulations 2017*, I hereby apply for a determination of low risk status for the following activity.
