

# Tox Free Solutions

## Eli Eco Logic Operations Manual

**1. Introduction ..... 4**

1.1 Scope of Manual .....4

1.2 Licenses DEP/DOME.....4

1.3 Site Map .....4

**2. Environmental Procedures..... 5**

SOP E 01 Spill Response Procedure .....5

SOP E 02 Spill Stations .....7

SOP E 03 Storm Water Management .....8

SOP E 04 Stack Testing Requirements .....9

SOP E 05 Ground Water Monitoring .....10

**3. OHS Procedures ..... 11**

SOP OHS 01 Housekeeping Inspection .....11

SOP OHS 02 Safe Lifting Procedure .....12

SOP OHS 03 Fire Extinguishers .....13

SOP OHS 04 Lockout and Tagging Procedure .....14

SOP OHS 05 Job Safety Analysis .....16

SOP OHS 06 PPE Procedure and Requirements .....17

SOP OHS 07 Confined Space Entry.....19

SOP OHS 08 Fall Protection.....20

SOP OHS 09 Working in Heat .....21

SOP OHS 10 Permit to Work Systems and Procedures .....22

SOP OHS 11 Incident and Accident Reporting.....23

SOP OHS 12 Safety/Toolbox Meetings .....24

SOP OHS 13 Site Inductions .....25

SOP OHS 14 Hot work Permits .....26

SOP OHS 15 Emergency Manifest Maintenance .....27

SOP OHS 16 Emergency Evacuation Procedures .....28

**4. Operational Procedures for General Plant..... 29**

SOP G 01 Waste Receival and Classification .....29

SOP G 02 Waste Water Treatment .....31

SOP G 03 Stocktakes .....32

SOP G 04 Chain of Custody \_ Material Transport.....33

SOP G 05 Chain of Custody \_ Lab Analysis.....34

SOP G 06 Catagorisation, Segregation, Labling and Storage of Dangerous Goods .....35

SOP G 07 Waste Container Disposal .....36

SOP G 08 Management Checklist for Weekly Inspections and Checks .....37

SOP G 09 Waste Dispatch (Offsite Consignments) .....38

**5. Operational Procedures for the Thermal Desorption Unit..... 39**

5.1 PROCESS DESCRIPTIONS .....39

Feed System-Solids.....39

Feed System-Liquids .....39

Thermal Desorption System .....39

High Temperature Filter (HTF) .....40

Condenser and Condensate Collection .....40

Demister .....40

Blower .....40

Afterburner .....40

Activated Carbon Filter .....41

Pressure Relief System .....41

5.2 OPERATING PROCEDURES .....43

SOP T01 Start Up Procedure.....43

SOP T02 Shut Down Procedure .....44

SOP T03 Operational Checks, Pre Start.....46

SOP T04 TDU Daily Production Summary & Check List .....47

SOP T05 Operational Checks, Weekly .....48

SOP T06	Operational Checks, Annual.....	49
SOP T07	Filling Retort Procedure.....	50
SOP T08	Liquid Feed Procedure.....	51
SOP T09	Solids Feed Procedure.....	52
SOP T10	Pressure Relief System Maintenance.....	53
SOP T11	SB03 Drum Change Procedure.....	54
SOP T12	Solids Out Feed changeout.....	55
SOP T13	Sampling and Disposal of Solids Out Feed.....	56
SOP T15	TDU Trouble Shooting Guide (help me help me.....)	58

**6. APPENDICES 59**

DEP Licence	60
DMPR Licence	61
Spill Log	62
Housekeeping Inspection Checklist.....	63
Job Safety Analysis.....	64
PPE Levels, OSHA Guidelines.....	65
Permit To Work.....	69
Hot Work Permit.....	70
Incident Investigation Report.....	71
Accident Investigation Report.....	72
Safety Meeting Minutes.....	73
Induction Checklist.....	74
Waste Recieval Ticket.....	75
Vehicle Unloading Checklist.....	76
Stocktake.....	77
Chain of Custody _ Transport.....	78
Chain of Custody _ Laboratory.....	79
Management Checklist.....	80
Waste Dispatch Checklist.....	81
Pre Start Checklist.....	82
TDU Shift Production Summary & Check List.....	83
Annual Check List.....	85
Material Processing Settings.....	86
